Please note that whenever an insured event occurs, you must provide complete and true information. The insurers would point out to the fact that in case of a breach of the existing obligation to provide information or explanations, there is a risk that they would be released from the obligation to provide benefits. Where a third party is entitled to the benefits payable under the contract rather than you, the said third party is equally obliged to provide information and explanations.

Place/Date:	Signature Policy Holder:	Signature Skipper, if not identical with Policy Holder:
